

# MEGA-DOSE Probiotic Plus Prebiotic

*Supports balance & growth of  
beneficial microflora in the gut  
of horses.*

## DESCRIPTION

Supports balance & growth of beneficial microflora in the gut of horses. The unique blend of ingredients:

1. Balances the horse's intestinal microflora.
2. Supports growth of beneficial bacteria in the intestines.
3. Supports the immune system.
4. Supports a healthy appetite.
5. Supports normal health of intestinal tissue.
6. Assists in the digestion and absorption of essential nutrients.
7. Contains direct-fed microbial cultures to supply beneficial microorganisms that occur naturally in the gut of healthy horses.

## FEEDING DIRECTIONS

### PASTE

Adult Horses and Foals - Administer 30 mL (1 tube) once or twice daily.

Ponies - Administer 30 mL (1 tube) once daily.
