

Complete Vitamin &
Mineral Supplement
to Support Healthy
Feet in Horses

www.StrideAnimalHealth.com

DESCRIPTION

Nutrimix Plus powder is a complete mineral and vitamin supplement that can properly balance the mineral and vitamin levels of plain grains, or supplement an already balanced ration or a 100% forage diet. In addition, Nutrimix Plus provides ample amounts of critical nutrients for supporting normal hoof growth and hair coat quality. Nutrimix Plus is ideal for:

1. Growing strong, tough soles and hoof wall.
2. Providing weak hoof walls with necessary vitamins and minerals.
3. Providing methionine and lysine (two amino acids essential for hoof and sole growth).
4. Providing zinc for keratin development of the hoof wall.
5. NutriMix Plus provides 100 mg Biotin plus critical nutrients that work together to maintain hoof wall quality and support growth of thick, tough soles.
6. Contains seaweed sourced calcium (lithothamnion) for improved calcium absorption and bone mineralization.

FEEDING DIRECTIONS

Horses: Feed 2 scoops (100g) mixed into normal daily ration. Ideally, feed 1 scoop morning and 1 scoop evening.

Small Ponies & Miniatures: Reduce feeding rates by half.

NOTE: Provide good quality hay/pasture, water and salt daily. For faster hoof growth use the Hoof Health Program which contains NutriMix Plus, Fish Oil Factor and Surge for ultimate support of quality hoof growth.

GUARANTEED ANALYSIS (Per 2 scoops, 100 g)

L-Lysine	min	3,500 mg	Iodine	min	4 mg
DL-Methionine	min	4,400 mg	Vitamin A	min	25,300 IU
Calcium	min	17,000 mg	Vitamin D	min	2,200 IU
Calcium	max	18,000 mg	Vitamin E	min	1,122 IU
Phosphorus	min	8,000 mg	Vitamin B-12	min	16.5 mcg
Salt	min	5,000 mg	Riboflavin	min	24.2 mg
Salt	max	6,000 mg	Thiamin	min	60.5 mg
Magnesium	min	3,800 mg	Niacin	min	153 mg
Copper	min	160 mg	Vitamin B6	min	19.8 mg
Selenium	min	1.65 mg	Folic Acid	min	14.3 mg
Zinc	min	480 mg	Choline	min	363 mg
Cobalt	min	18 mg	Biotin	min	100 mg
Manganese	min	275 mg	Ascorbic Acid	min	187 mg

INGREDIENTS

Dicalcium Phosphate, Calcium Carbonate, Biotin, Magnesium Oxide, Salt, Sodium Bicarbonate, L-Lysine, DL-Methionine, Vitamin E Supplement, Red Algae (Lithothamnion), Zinc Methionine Complex, Copper Lysine Complex, Manganese Methionine Complex, Cobalt Glucoheptonate, Mineral Oil, Choline Chloride, Zinc Sulfate, Selenium Yeast, Manganous Sulfate, Copper Sulfate, Ascorbic Acid (Vitamin C), Niacin, Thiamin Mononitrate, Riboflavin Supplement, Vitamin A Supplement, Pyridoxine Hydrochloride, Folic Acid, Vitamin B12 Supplement, Vitamin D3 Supplement, Menadione Sodium Bisulfate Complex, Ethylenediamine Dihydriodide.
