## DESCRIPTION

Rewind is designed to support healthy joints and flexibility, and help ease occasional stiffness and soreness. The unique omega-3 fatty acid (ETA) in Rewind helps decrease normal inflammatory pathways, therefore enhancing the body's normal repair of joints. Benefits of using Rewind daily include:

1. May help ease aches and discomfort associated with normal daily exercise and activity.
3. May help reduce inflammation.
4. Maintains a normal inflammatory cytokine cascade.
5. Promotes healthy joints.
7. Helps maintain joint mobility.
8. Eases joint stiffness due to normal daily exercise and activity.

Polyunsaturated fatty acids have been associated with nutritionally supporting many health issues including cardiovascular and joint health. Potent polyunsaturated fatty acids have been discovered in extracts from green lipped mussels. These extracts are over 300 times\* more effective than some of the key ingredients in fish oil. This product contains the patented formula SuPernol™, which is derived from green lipped mussels and other ingredients to ensure maximum health benefits.

## DIRECTIONS

**HUMANS:** Adults take one (1) to three (3) softgels once daily, preferably with a meal.

**DOGS:** Small breeds take one (1) capsule daily. Large breeds take one (1) to two (2) capsules daily.

*Maximum effectiveness occurs at 12 weeks.*

## SUPPLEMENT FACTS

Serving size: 1 Softgel		
Amount per serving		% Daily Value
Calories	2.5	
Calories from fat	2.0	
Total Fat	240mg	
Cholesterol	1mg
